ADDRESS \_\_\_\_\_

TOWN \_\_\_\_\_

STATE \_\_\_\_\_

THE photographs reproduced in this pamphlet were taken in the overflowed district in the northern section of Memphis, Tenn., along Bayou Gayoso. The district covers approximately ten blocks, contiguous to the bayou, and has been subject to overflow in past years. The city proper occupies a commanding position on the top of a high bluff and has never been in the least danger of an overflow.

Photographed and Engraved  
by Bluff City Engraving Co.
